THANK
YOU!

Otway Health would like to thank the community members who attended our Open Session held on Thursday 30 August to discuss the Allied Health Services available at Otway Health.

It was great to address some concerns and to be able to further explain how to access subsidised Allied Health Services via My Aged Care, or other funded programs such as NDIS, Home Care Packages and DVA.

For any community members who were unable to attend this session, or those who have any questions or concerns about Allied Health, please contact us.
