A New X-Ray Machine

We are happy to announce that the replacement of our X-Ray facility in Urgent Care is currently scheduled to commence from 7th October.

This will see the current X-Ray machine removed, the room refurbished & a new replacement machine installed. Unfortunately, during this time our X-Ray facility will not be available for use by clinicians.

The nearest available X-Ray during this time is Colac Area Health. We apologise for any inconvenience caused and look forward to operating the new machine in the refurbished space at the start of November 2019.

Transfer of Medical Records for Dr. Meg's Clients

ABMC welcomes all transferring clients, and encourages the completion of a Request to Transfer Medical Records form in advance of needing an appointment.

Where possible, the early booking of an introductory appointment with our Practice Nurse is recommended prior to requiring your first appointment.

Transfer forms can be collected at the Apollo Bay Medical Centre reception at 75 McLachlan St. While the form is recommended to be completed at or before your first appointment, if needed you may make an appointment at any time.
