Lawless Scholarship Award

The Lawless Scholarship is awarded on merit to a health practitioner who demonstrates continued commitment to health outcomes in our community, in recognition of the distinguished service and commitment to the health outcomes of Apollo Bay and district communities by GP's Dr James & Dr Meg Lawless. We proudly presented this years award to Brad Pickering, Nurse Practitioner.

"It was a magnificent honour to receive the prestigious Lawless Scholarship. When receiving the award at the AGM I was overwhelmed with emotion, leaving me with very few words to say other than 'Thank you to Otway Health, the Board and the Community'. It is a privilege to work for Otway Health and now Great Ocean Road Health to provide care for the community and visitors of Apollo Bay. This scholarship allows me the opportunity to attend the 'Emergency Ultrasound for Rural and Remote Medicine' course I have wanted to attend for a long time. The outlook for engaging in this course is to increase the clinical capability of the Urgent Care Centre." Brad Pickering (pictured below left with OH Director of Nursing, Libby Van Leeuwen)
